

## ECONOMIC STIMULUS PACKAGE

STRIP CLUB CHOPPERS knows that your entertainment dollars may be tight, so we have utilized the following to assist Event Coordinators, Show Owners, and Promoters:

- STRIP CLUB CHOPPERS encourages your event to place a distribution point for beer, alcohol and/or food near our Roadhouse Tour rig. Then consumers have a place to sit, listen to music, watch shows on our flat screen TV, and be generally entertained
- STRIP CLUB CHOPPERS will list your event on our tour schedule and have an active link on our website. SCC will also list your event on the opening page 30 days prior to your event
- STRIP CLUB CHOPPERS will write and send out emails of a press release for each show we book.
- After event, Johnny and Jay will include event's activities in their monthly article
- Your event will be promoted through all SCC social networking such as Facebook. Twitter and radio on Bikers inner Circle
- SCC will offer discount when booking 90 days prior to an event. Deposit must be received
- STRIP CLUB CHOPPERS will work with your local sponsors (such as Bars, Casinos, and Adult Clubs) and make off site appearances. Tour personalities will sign posters and autograph copies of "Biker's Handbook"
- When STRIP CLUB CHOPPERS is sponsored by a local adult entertainment establishment, SCC will place "Dance Pole Chopper" on Club's stage, hold appearances at the Club for poster signing, and allow the Club to place girls in the Roadhouse Tour rig to pass out promotional materials
- Upon arrival at your event, SCC personalities will be available for local radio and TV spots to help promote event attendance
- SCC Roadhouse Tour can provide ambient music at your event, eliminating the need for extra sound systems. And should you have a tape, we can play a loop on our plasma flat screen TV promoting you show
- SCC will place your printed promotional flyers in all sales bags at the event
- And if you supply SCC with printed material prior your event, we would be glad to disseminate these materials at the current shows we are attending, further promoting your upcoming event

In short, STRIP CLUB CHOPPERS staff understands the importance of working with our host, and we are willing to listen to any suggestions or ideas on how we can be of help to you and your event.

Looking forward to hearing from you.

Sincerely,  
Johnny Lange, Owner
