

STRIP CLUB CHOPPERS ROADHOUSE

Strip Club Choppers Roadhouse Tour is reminiscent of a three-ring circus. This is just one of the reasons event coordinators and promoters have chosen the Roadhouse as one of their feature attractions.

When you combine *Michele Smith* and *Jay Barbieri* two iconic figures in the motorcycle industry and the stars of **Two Wheel Thunder** on the **Discovery Network's HD Theater**, along with *Johnny Lange* founder of **SCC**; your event is complete.

Thousands have attended rallies specifically to visit the SCC Roadhouse, meet these celebrities and party!

Over the years smaller shows have discovered that by booking the **SCC Roadhouse** package, they save, time, money and stress. It's the best value out there for your entertainment dollar!

Brand new this year is a VIP (Very Important Patron) 400 square foot lounge area complete with couches, bar stools, tables, dance poles and a state of the art sound system. This area is for show attendees to relax and to get autographs from and take pictures with tour personalities.

Often show promoters will set up an alcohol distribution area adjacent to the VIP tent, so consumers can wet their whistle. And at smaller events, the sound system is powerful enough to use without having to incur the cost of a DJ or band.

As always the tour package includes the **SCC "POLE" bikes**.

No show is too big or too small for the **SCC Roadhouse** to accommodate. Visit our brand new website www.stripclubchoppers.com to check tour date openings.

Additionally, the **Roadhouse** tour personalities can make offsite appearances at local clubs and radio stations to help cross promote the event. **STRIP CLUB CHOPPERS** is currently finalizing a plan to include a live web cam for events for full Internet coverage.
